

Use your email address to login to the Customer Portal. You will be able to set and reset your password at any time on your own. New customers will be able to register and create their own accounts through the Customer Portal.

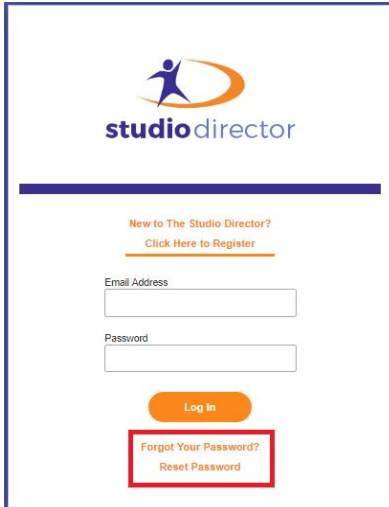

### **Customer Portal Login**

If you already have an account set up in our system, will login to the portal using their main email address on their account. You must have an email address in order to login to the portal.

### **Customer Portal Password**

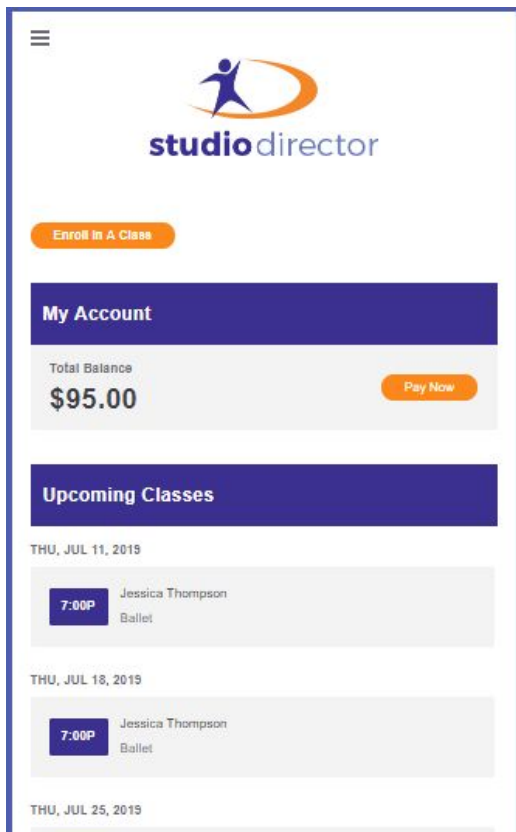

If you already have an account set up in our system, the first time you login into your account, click the "Forgot your password?" link located on the portal login page to set up a new password. When you click the "Forgot your password?" link, it will prompt you to enter your email address and it will send you an email with instructions for

setting your password. You can also click the "Forgot your password? / Reset Password" link anytime to reset their password.

### **New Customer Registration**

*New* customers that do not have an account can create a new account by clicking the link "New to MVP? Click Here to Register" located on the portal login page.

### **How to Enroll On-Line**

When you log into your online account, you will see the Home page. You can enroll in a class, view your balance, make a payment, view your upcoming classes, view payment history and access the main menu.

The portal menu options can be accessed by clicking the three bars at the top left of the portal.
